Dear John Doe,

WE KNOW YOUR COMPENSATION CHALLENGES. WE KNOW CREDIT UNIONS. NOW, GET TO KNOW COMPEASE.

Are you looking for a partner to help your credit union attract and retain top talent? Compease is the salary administration system that provides the tools, salary data and expertise that will lighten your workload and give you the competitive edge.

Employees perform better and stay longer if performance and pay criteria are fair. Compease provides more trusted salary data sources than any other compensation solution and is the only one to use salary data from CUNA. **Partnering with Compease offers substantial benefits, including:**

- Increasing employee retention and productivity
- Ensuring equitable pay for your employees with accurate salary and compensation planning tools
- Reducing HR administrative workload and expense

Why do more credit unions partner with Compease than any other salary management software in the industry? It's proven to be reliable, effective, simple to use and successful in helping credit unions like yours save time and money.

TAKE CONTROL OF YOUR COMPENSATION PROGRAM WITH COMPEASE.

Register now for our Compease webinar at [xxxxxxxxxurl.com] and enjoy lunch on us with a \$50 gift card.

If our webinar dates are inconvenient for you, please contact your Compease representative [Jane Doe at jdoe@compease.com] to schedule a one-on-one demonstration.

We look forward to showing you how the power of Compease will help you manage your important human resources.
